

WORK COMPLETED

Grand Jury at Frankfort Has Finished the Investigation of the Goebel Assassination.

INDICTMENT OF TAYLOR IS HELD UP

It is Said That It Will Not Be Served Until After the Contest Argument in Washington.

Ex-Gov. Bradley, Taylor's Leading Counsel, Says He Has No Doubt But That His Client Will Surrender Promptly If Indicted.

Frankfort, Ky., April 23.—While the Franklin county grand jury has not adjourned, it is understood that the investigation of the Goebel assassination has been completed. The indictment against Mr. Taylor, charging him with being an accessory to the murder, will be held up until after the argument of the governorship contest case, which is docketed for hearing before the supreme court at Washington on April 30, and it is said by persons in the councils of the prosecution that no such warrant will be issued or other steps taken in the case till after that time. The rumor that Beckham had been applied to for a requisition is without foundation.

Ex-Gov. W. O. Bradley, leading counsel for Mr. Taylor, gave to the press the following authorized interview:

"I have had no communication with Gov. Taylor since he went to Washington. The press, I notice, states that he is there preparing his case for the supreme court. I am satisfied that this is not true. Gov. Taylor went to Washington on purely personal business not connected in any way with the trial of his case. Nor do I believe the report to be true that he is in New York attempting to prevent the honoring of a requisition for his return to this state. As to whether a requisition could be lawfully issued by Mr. Beckham or would be recognized, it is unnecessary for me to express an opinion, as there are questions that must be determined by the authority upon whom such a requisition may be made.

"Gov. Taylor has publicly declared that he was not and would never be a fugitive from justice, and that if indicted he would respect the law and meet his accusers face to face. Therefore, there remains but one course open to him, and that is to return as soon as he can, walk boldly and bravely into court and meet the indictment like a man. Any other course would be rank injustice not only to himself, but to those of his friends who have been accused of so foul a crime. I do not know whether an indictment has been found against Gov. Taylor, but if it has I have no doubt that he will promptly surrender himself into the hands of the law, and believe that any intimation to the contrary does him an injustice."

Col. David G. Colson, who has been confined in the Franklin county jail, which is guarded by the Beckham state troops, and who was acquitted on his trial in the circuit court Saturday, addressed the soldiers Sunday morning in response to an invitation from them. He left for his home at Middlesboro Sunday night. His room was crowded all day by friends who called to congratulate him on his acquittal.

FLOOD SITUATION IMPROVED.

Passenger Traffic Resumed on Some of the Lines, but in Badly Crippled Condition.

Meridian, Miss., April 23.—Passenger traffic, by transferring at several bad washouts, has been resumed on the Alabama Great Southern road. The Mobile & Ohio passenger train, waterbound at Quitman for five days and nights, finally reached Meridian. Eighteen hours were consumed in making 20 odd miles. Full traffic on the Mobile & Ohio, Alabama & Vicksburg and New Orleans & Northeastern roads can not possibly be resumed inside of ten days.

Pascagoula reports that two spans of the Louisville & Nashville bridge at West Pascagoula, Miss., were knocked out by floating logs coming down the overflowed river. Passenger train service is crippled and passengers and mails will have to be transferred in boats. Freight traffic is entirely suspended.

Disabled Steamer Towed Into Port. Halifax, N. S., April 23.—The British steamer Sir Garnet Wolseley, from Philadelphia for Cork, which has been beating around the coast disabled for two weeks, was towed into Halifax by the British steamer Runo.

Porte Replies to American's Demands. Constantinople, April 23.—The porte has replied to the American demands, stating that Turkey will compensate American missionaries under the same conditions as in the case of other foreign subjects.

Advance in Prices of Coal.

Washington, April 23.—An interesting and unusual feature of the statistics of the coal production in 1899 is the fact that there was an advance in prices, the first instance of the kind in ten years.

Sioux City, Ia., April 23.—Ernest Meyer, who killed his brother-in-law, Christ Bauer, March 19, was convicted by a jury. The penalty for the crime was fixed at \$500 or one year in jail.

FILIPINOS KILLED

Last Week Was the Bloodiest Since the War Broke Out in the Philippines.

SEVERAL ENGAGEMENTS WERE FOUGHT

As a Result the Enemy Lost Nearly One Thousand Men in Killed and Fatally Wounded.

The American Loss Was Nine Killed and Sixteen Wounded—Two Sergeants and One Private Were Killed in Ambushes.

Manila, April 23.—Last week has been one of the bloodiest of the war since the first day's fighting around Manila. Authentic reports, mostly official, show a total of 378 Filipinos killed, 12 officers and 244 men captured and many more wounded. The number wounded is hardly guessable. Considering that the Filipinos entirely lack hospital facilities, a great majority of the wounded will die. Probably the week's work finished 1,000 insurgents. The Americans' loss was 9 killed and 16 wounded. Two sergeants and one private were killed in ambushes while escorting provision trains.

The insurgents have been aggressive in almost every province of Luzon. Gen. Pio del Pilar's band, numbering 300, which was out of sight for three months, the leader being reported killed, has reappeared in its old field about San Miguel. Pilar is supposed to be again in command. He gave the American garrison at San Miguel, consisting of three companies of the 35th infantry, with a Gatling, a three hours' fight during a night attack. The loss of the insurgents in this engagement is not included in the foregoing total, as they removed their dead and wounded, but presumably it was considerable.

Twenty Filipinos in the province of Batangas attacked Lieut. Vonde, who with eight men was scouting near San Jose. The lieutenant and five men were wounded and one man killed.

Sergt. Ledouis, of the 35th infantry, was badly wounded in an ambush near Baliuag.

Lieut. Balch, of the 37th infantry, with 70 men, had a five hours' fight with 800 insurgents in the Nueva Caceras district. Twenty of the insurgents were killed.

Col. Smith, of the 17th infantry, who captured Gen. Montenegro and brought him to Manila, is in the isolation hospital suffering from smallpox, presumably caught from the Filipinos. Col. Smith's command captured 189 officers and men with Montenegro. The officers were brought to Manila. Montenegro, who was formerly one of the most dapper officers in the Filipino army, looks worn and haggard. He says he had led a terrible life for months, and he has offered to return to the north with Col. Smith to endeavor to persuade his former comrades of the uselessness of opposing the Americans.

One hundred escaped Spanish prisoners from the province of Tayabas, South Luzon, have arrived at Manila. The insurgents have 400 more Spaniards in that district.

COLOMBIAN REVOLT GROWING.

Rebels Successful in Several Engagements, and Several Important Cities Captured.

Kingston, Jamaica, April 23.—Advices from Colombia say that Boas del Toro, Panama, is in possession of the rebels. Last Friday the government chartered a British steamer at Colon to take the troops to Boas del Toro, where an important battle is expected. With Boas del Toro in the hands of the rebels, Colon is practically threatened.

There is considerable excitement at Cartagena over a report that Baranquilla has fallen into the hands of the insurgents. This rumor is not entirely credited, but there are good grounds for believing that the town will be taken.

Murder at a Church Door.

Syracuse, N. Y., April 23.—John Hughes, aged 69 years, shot and killed his wife, Hannah Hughes, and seriously wounded Elizabeth Lyons, aged 16 years, as the women were leaving St. Vincent de Paul's church at noon. He then went to the house of a friend a mile distant and attempted to commit suicide by stabbing himself near the breast with a pair of shears. He was found there by the police and arrested. Hughes and his wife had separated. The Lyons girl was accidentally hit by a stray bullet.

Do Not Know Where They Stand

Havana, April 23.—The members of the cabinet are still considering where they stand with respect to the recently expressed views of the secretary of agriculture, Gen. Rais Rivera, who has demanded that the United States government should set a time limit for the occupation of the island.

Sentenced to Eighteen Years.

Atcheson, Kan., April 23.—In the district court Thomas C. Woerman pleaded guilty to the charge of burning the costly residence of J. C. Fox, a prominent citizen, and was sentenced to serve 18 years in the penitentiary.

MARCH STOPPED.

Gen. Brabant's Advance Guard Meets a Strongly Entrenched Position Held By Boers.

AN ENGAGEMENT OF SEVERAL HOURS

The Boers Still Keep up a Heavy Bombardment on Col. Dalgety's Position at Wepener.

Gen. Brabant's Relief Column Is Reported to Be in the Neighborhood of Bushman's Kop, Twenty Miles From Wepener.

Maseru, Basutiland, April 23.—Gen. Brabant's advance guard reached Bushman's Kop last evening. The Boers held a strong position there with two guns. The engagement opened at sunrise, with heavy rifle fire. At 6:30 a. m. cannonading began and continued for several hours. Gen. Brabant's forces are on the plain and have fairly open country all the way to Wepener, 20 miles away. Four Boer guns were heard at work all day yesterday on Col. Dalgety's position. The British guns replied at intervals.

The Boers are divided into three divisions, two being in positions to repel the relief columns, the distant roar of whose artillery is audible. Evidently the Boers re-attacked Col. Dalgety today.

Col. Dalgety's heliograph: "All well. Boers had 300 shells yesterday without doing damage."

The Basutos are posted on the border for defensive purposes. They are behaving in orderly fashion, but are showing the most intense interest in the outcome of the developments of the next 24 hours.

GEN. DEWET KILLED.

Trenches Have Been Constructed for Eight Miles Around Pretoria By the Boers.

London, April 23.—The Daily News has the following from Lorenzo Marques, dated Friday, April 20:

"It is reported here that Gen. Dewet has been killed."

"Other European ambulance corps besides the Irish-American are taking up arms in behalf of the Boers. The latter are unable to obtain smokeless powder."

"Trenches are being constructed for eight miles around Pretoria. There are 69 guns in position at Kroonstad and seven French guns at Pretoria. Twenty-five mines at Johannesburg have been charged with dynamite and the Johannesburg fort has been dismantled."

Strength of the Boers.

London, April 23.—The Lorenzo Marques correspondent of the Times, under Saturday's date, says: "Information received from responsible sources shows that at one time the two republics had 105,000 men in the field, including the colonial rebels. According to the same informant, they can still muster 80,000, of whom 50,000 are in the Free State, 10,000 are in the Biggarsburg district and 15,000 in the districts of Fourteen Streams and Klerksdorp. It is now believed that before the war the burgher lists were deliberately falsified in order to deceive the British intelligence department."

Renewed Activity Displayed.

London, April 23.—A dispatch to the Times from Johannesburg, dated Sunday, says: "The Boers are displaying renewed activity. Five guns were used freely to-day from four different positions against ours. A rifle firing to the south and west was heavy and continuous. Officers and men are on duty day and night in the trenches, and the heavy rains of late have made their task a great feat of endurance and pluck."

Fighting Mainly With Artillery.

Walkerstrom, Near Dewetsdorp, April 21.—Fighting was continued to-day, mainly with artillery. The Yeomanry and mounted infantry pushed forward on the right flank and were subjected to shelling and a heavy rifle fire. The Royal Irish Rifles captured a Free State flag. The Boers are well entrenched and hold their ground tenaciously. The British casualties have been light.

Equipping the Troops.

London, April 23.—The Bloemfontein correspondent of the Daily Telegraph, in a dispatch dated Sunday, says: "All the troops are being rapidly equipped with boots, clothing and other accoutrements. Lord Kitchener is making various disciplinary changes. The weather remains fine."

Boers Entrenching Near Frankfort.

London, April 23.—The Kimberley correspondent of the Morning Post, telegraphing Sunday, says: "The Boers are reported to be near Frankfort, where the country is very difficult. At Klipdam they are entrenching their positions."

Counterfeiter Dies in Prison.

Columbus, O., April 23.—The body of Charles Johnson, 63 years old and one of the most noted counterfeiters in the country, was shipped from the penitentiary to his former home at Detroit. Johnson died in the prison here. He had been a counterfeiter all his life, and several members of his family are said to have served for one or more terms for the same offense.

FORECAST OF CONGRESS.

Senator Quay's Case to Be Decided in the Senate—Appropriations Will Occupy the House.

Washington, April 23.—The senate will give considerable attention during the present week to questions of privilege involving three seats in the senate. Under the unanimous consent agreement reached on the 10th instant, the resolution declaring Senator Quay not to be entitled to a place in the senate probably will be voted on at 4 o'clock Tuesday and in the meantime several speeches will be made upon the resolution. The leaders on both sides are claiming victory, but they do not in either case give figures on the result.

After the Quay vote is taken Senator McComas, who as a member of the committee on privileges and elections has had charge of the protest against Senator Scott's continuing to occupy his seat as a senator from West Virginia, will call up the resolution in that senator's behalf and ask for immediate consideration. The prospect is that there will be little or no debate on this resolution as the report of the committee is in line with senate precedents. The report of the committee on elections in the Clark case will be taken up as soon as the Quay and Scott cases are disposed of.

The Philippine bill will continue to hold its place as "unfinished business" on the calendar, but it is likely to receive very little attention during the week. The army appropriation bill will be taken up as soon as the election cases are disposed of. The fortifications and agricultural appropriations will be reported soon and these also may be taken up as soon as opportunity permits. The Hawaiian conference report will be acted upon early in the week.

The major portion of the time of the house this week probably will be consumed in the consideration of the post office appropriation bill. Friday under the rules is set apart for private pension bills. The bill appropriating \$1,000,000 for the militia of the several states may come up during the week.

MURDER IN A FISHING SHACK.

A Chicago Fisherman Kills One Man and Attempts the Lives of Several Others.

Chicago, April 23.—Laboring under the hallucination that his friends had entered a conspiracy to kill him, and crazed with liquor, Wm. Aylward, a fisherman, slashed with a pocket knife the throat of his old friend and schoolmate, Wm. Larkins, severing the jugular vein and causing Larkins' death within ten minutes. Then turning on four other occupants of his fishing shack, he lunged at them, cutting Thos. Norris, an 18-year-old boy, in the head and in his frenzy gashing his own right hand. Larkins staggered from the house, followed in haste by young Norris, Wm. Harrison and John Clark. Jas. Ryan, the fifth occupant of the shack, jumped through the window. Aylward left the shack and, after throwing the bloody knife among some weeds, went directly to the Hyde Park police station, three blocks away, and gave himself up. Officers then arrested the occupants of the shack as witnesses.

For two days Aylward had been drinking heavily. Larkins and the other men were visitors at the shack. Aylward was in a quarrelsome mood, and had the idea that all present were his enemies and had formed a conspiracy to kill him. Aylward suddenly asked Larkins, "Have you got a gun about you?" He felt Larkins' pocket and then, springing back, he shouted, "You don't come any of your tricks on me!" He then drew from his pocket a jackknife and, opening it, slashed Larkins' throat.
